Comments Details

Commenter Type: Parish Council

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Objection to the proposed felling. The tree now identified as Cedrus deodara (The Deodar Cedar), is a mature healthy specimen with amenity value.

None of the Council criteria for felling a tree with a TPO have been met.

The tree is not posing an immediate structural danger. Shedding needles is natural and is not a legal nuisance.

The tree shows no decease, or damage to the property and no structural engineering report has been submitted.

Kind regards
