Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity
Comments:	Dear Sir / Madam RE Chewton Noting that there has been an amendment to the original application, I have the following relevant comments. I concur with the Parish Council that as a next door neighbour I can attest to the busy intersection here near the school and opposite Clapgate Lane (which is used for parents picking up their children) create a dangerous entry onto an increasingly busy road.

In addition, as the parking area located on the amended plan is on the boundary to my residence and the principal entrance, vehicles starting up, idling would cause excessive noise, vibration and air pollution which would disturb the enjoyment of my property.

I respectfully request that this revised proposal is refused.

Kind regards
