Good morning,

I am writing to request an update on planning application C/26/0567 for 9 Montpelier Gardens, Washington, West Sussex, RH20 3BW.

The planning portal has not been updated, and I note that the target determination date was 28 May 2026. I would be grateful if you could provide an update on the current status of the application and advise when a decision is expected.

Thank you for your assistance. I look forward to hearing from you.
