Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	I would like to object to the proposed plans to modify a Victorian terrace to a HMO. These type of properties are not intended to be occupied in this way. In my view this is overdevelopment of the plot. Also the road capacity around the area is already struggling and can't cope with such intense development style. It's already difficult for residents to find streetparking.

Kind regards
