Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This development will have a considerable impact on the local landscape, affecting green spaces and the associated animals. There are already many developments in progress which should be required before considering further reduction of our green spaces. Brown field sites should also be prioritised. Traffic will also be an issue as it is currently already extremely heavy in the area.

Kind regards
