Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Trees and Landscaping
Comments:	It will exacerbate the yearly winter flooding on Old Crawley road. Earles Meadow is a cul-de-sac so the cycle path would not go anywhere unless you cycle on a footpath! There is no footpath next to the road in Earles Meadow, you would have to walk on the road.

Encouraging and enabling random access into Earles Meadow housing estate will facilitate burglary
There are no community benefits just increased pressure on existing services especially GP.
Increased traffic congestion on Crawley road and Moorhead roundabout will make it even more difficult to get in and out of Earles Meadow.
Loss of beautiful long views when walking up to the woods.
Deliberate attempt to mislead by describing the area as Faygate

Kind regards
