Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	We must not keep building on farmland, once it's gone it'll never come back. The huge loss of the natural environment is criminal. The south east is already overdeveloped, we are losing all our green spaces and green belt land. We should be building on brown field sites, not farmland.

Kind regards
