| Comments:            | <p>I object to the planning application due to the following</p> <p>Traffic - Doomsday lane is already a busy cut through and junction with Brighton road. Particularly with the garden centre opposite. Building houses here will add more traffic and connection.</p> <p>Loss of habitat for wildlife- I have often seen deer in this field. They are used to this as part of their environment and they will still cross over causing increased risk of them getting run over and</p> |

danger to motorists with increased traffic.  
We have already lost a lot of green space around Horsham.  
New homes in the north of Horsham are not selling well and  
Horsham has expanded  
Loss of trees and shrubs - again this will affect local wildlife.
