Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This is a beautiful piece of land of which a considerable amount of wildlife thrives, plenty of deer grazing throughout the day and night, a beautiful brook running through which Brook Lamprey thrive in and are a rare land protected species, water voles, kingfishers, herons, egrets and many more. We need to protect this natural beauty spot. Why do we need more housing when we

are already suffering with the water issues. The road, Brighton road is a fast road and what provisions are being considered for safe crossings and only one exit/entrance meaning this development would be car dependant surly this fails the all good practice planning strategy

Kind regards
