Reasons for comment:	- Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	Despite leaving space for expansion ashington school is already struggling with too many students . And an expansion would cost money . Ashington also only has two pretty small shops , and with 150 odd extra houses theres going to be so much traffic especially

near co-op and the highstreet which also diminishes one of the best parts of Ashington in how quiet it is with a tight knit community where most people are familiar without overcrowding. Also thinking of the yearly Ashington festival , which is already always packed especially during the parade.

Kind regards
