Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	This is nothing short of a monstrosity. It will deprive the children of Ashington Church of England School of an essential part of nature

that is used for outdoor learning.

There is no need for substandard, postage stamp houses to be squeezed into an area that cannot operate them.

This needs to be stopped immediately and brownfield sites utilised instead of a part of a fantastic village.

Kind regards
