Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Other
Comments:	I am writing on behalf of the Horsham Society. The changes made in the revised plans take no account of the objections raised in our previous objection or the comments of the Conservation Officer. We therefore continue to object to this application on the grounds that the metal hanging sign is inappropriate in the Conservation Area and the proposed lighting of the A3 menu board is both unnecessary and an undesirable intrusion.

Secretary, Planning Sub Committee
