Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: I support this planning application. It is imperative that permission is granted for the drainage scheme. Residents of Strawberry Close and also our property in Penn Stone Way which is adjacent to Strawberry Close is at great risk of flooding from future storms

and heavy rainfall if this scheme is rejected and filled in. Horsham District council has a responsibility to allow this drainage system and protect its residents from future flooding.

Kind regards
