Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	This application for increasing the size of the yurts and introducing a mobile (on skids) facilities block is incompatible with the local surroundings. The proximity of Brookfield Barn, a wedding and

events venue will cause excessive noise due to the location of the yurts. The facilities block will also not be movable due to its size.

Kind regards
