Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Trees and Landscaping
Comments:	We have been here 7 years and in this time have been given false promises of shops, doctors, train stations, community centre Other more recent developments in the area have shops and cafes already. I know more and more families moving out of the development

because of the lack of amenities. It is also reducing the value of houses here being over built with less amenities.

Kind regards
