Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Horsham Town Council Planning Committee considered the application and resolved to object to this application on the grounds of the following: the application and design do not address poor connectivity and access for active travel. Horsham Town Council endorses the objections raised by Forest Neighbourhood Council and in particular highlights the need to improve active travel and connect satisfactorily with the Riverside

Walk. The comments from the HDC Landscape Architect were noted and supported.

Kind regards
