Customer Details

Address: Deers Leap Wheatsheaf Road Woodmancote

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	Firstly the plans appear not to show the correct barn on the application location plan. Secondly, the access is via a farm track which is already going to be over used and dangerous because of the planning permission DC/25/0825, and to grant access by this same unmade route will only increase the dangerous and unacceptable use of this track, as it will increase the total to 10 units with all of associated traffic without a proper road and the necessary safety implementations.

An alternative metalled road/route is available and was indicated as the access to these units on the original Q application.

Kind regards
