Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity
Comments:	I am very concerned about this potential development - my main objection is about the absence of extra parking for the extra activities the cricket club will no doubt be having if/when this development is allowed. No doubt Charlton Street will be used for events at the cricket club and there is already very considerable

difficult parking in Charlton Street. Can the police house area be used for parking for events at the cricket club?

Kind regards
