

A 3D architectural rendering of a two-story house. The house features a steep gabled roof with brown shingles. The main body of the house is clad in light green horizontal siding, while the chimney and a portion of the right side are made of red brick. A large brick chimney is located on the left side. The front facade includes a multi-paned window on the second floor, a bay window with a small gabled roof on the first floor, a central front door with a small porch, and a two-car garage with a light-colored door. A small tree is planted in front of the garage. The house is set against a clear blue sky with a bright sun in the upper right corner.
