Land at New Place Farm, Pulborough, West Sussex, RH20 1AT

to be carried out in accordance with Application No. PP-13301752 as amended by application No. DC/24/1204 submitted to the Council on 08/08/2024 (as modified by relevant conditions, if any) and subject to compliance with the plans/documents and conditions specified.

Emma Parkes
Head of Development and Building Control

Date: 05/09/2024

Amended conditions:

2 **Regulatory (Time) Condition:**
(a) Approval of the details of the layout of the development, the scale of each building, the appearance of each building, and the landscaping of the development (hereinafter called "the Reserved Matters") for each phase shall be obtained from the Local Planning Authority in writing before any development of that phase is commenced.
(b) Plans and particulars of the Reserved Matters referred to in condition (a) above, relating to the scale and appearance of each building, access within the site, and landscaping of the development shall be submitted in writing to the Local Planning Authority and shall be carried out as approved.
(c) Application for approval of the Reserved Matters shall be made to the Local Planning Authority before the expiration of 3 years from the date of this permission.

(d) The development hereby permitted shall be begun either before the expiration of 3 years from the date of this permission, or before the expiration of 2 years from the date of approval of the last of the Reserved Matters to be approved, whichever is the later.

Reason: To enable the Local Planning Authority to control the development of the Outline element in detail and to comply with Section 92 of the Town and Country Planning Act 1990.

20 **Regulatory Condition:** The Reserved Matters submissions west of Public Footpath PUL/2332/4 within the historic setting of New Place Manor shall be accompanied by details/plans which demonstrate how the original materials and floor plans of the surviving historic farm buildings within the setting of New Place Manor are to be utilised in the design of any new development within the north-west part of the site. The submitted details shall show how any new buildings in this part of the site reflect the type of building that once stood there, including the re-use of historic materials (particularly stone).

Reason: To reinforce the significance of the historic setting of Grade 2 listed New Place Manor, and ensure that the historical interest of the site is safeguarded and recorded in accordance with Policy 34 of the Horsham District Planning Framework (2015).

Note to Applicant:
This decision only relates to the non-material amendments sought and is not a reissue of the original planning permission, which still stands. The two documents should be read together.

Note to Applicant – Community Infrastructure Levy (CIL):
Horsham District Council has adopted a Community Infrastructure Levy (CIL) Charging Schedule which took effect on 1st October 2017. **This development constitutes CIL liable development**.

If you have not received a Liability Notice from the Council within 1 month of the decision date please contact the CIL Team at cil@horsham.gov.uk

CIL is a mandatory financial charge on development. To avoid additional financial penalties, the requirements of CIL must be managed before development is commenced (including in the event of any successful appeal).

Payment must be made in accordance with the requirements of the CIL Demand Notice issued.

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations, or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required, or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street

Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Compliance with the Approved Plans and Conditions
The development hereby approved must be implemented in accordance with the approved plans and any conditions set out in the Notice. Some of the conditions may specify that works are to be carried out, and/or details submitted and approved before all or part of the development is started. These will appear in the 'Pre Commencement Conditions' section of the Notice.

If works on implementing this permission is started without these requirements being fully met, the development may be unauthorised and the permission invalidated, and could lead to enforcement proceedings or in some cases to prosecution.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Conditions Compliance
Requests for confirmation of compliance with conditions associated with that permission should be made in writing or by using the application form 'Approval of Details Reserved by Conditions'.

A request may be for confirmation that one or more conditions imposed on the same permission have been complied with. We aim to respond within 8 weeks of receipt of the request.

Right of Appeals
There is no right of appeal against refusal of an application for a non-material amendment, or against conditions imposed. This is because non-material amendments are not covered the relevant legislation which sets out which types of application can be appealed (section 78 of the 1990 Town and Country Planning Act).

If you are aggrieved by the decision to refuse permission for your application, or to grant it subject to conditions, you would need to submit a planning application to seek approval for the proposed amendments. Please speak to your Case Officer for more details.
