Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	Far to many new developments in the village already. The current sewage system cannot cope with the existing houses. If full planning is granted for the 47 houses in the field to the north of village centre, the foul drainage will over flow into garden on a much more regular basis, adding another nine dwellings to that number would be madness. Over crowding to the surrounding area that has little infrastructure, a failing medical centre and a limited public transport system.

Kind regards
