Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	Exiting from Hoewood in a car on to Shoreham Road is already a challenge at certain times of day. As a pedestrian and dog walker, crossing the Shoreham Road is also a challenge. Cars, lorries and agricultural vehicles regularly ignore the speed limit. This proposal, if passed, will exacerbate the issue with the concomitant increase in numbers of and noise from cars, delivery vehicles, builders vans and lorries, and refuse vehicles. It is inappropriate

overdevelopment in the area which is already under threat from other proposals which, if passed, will seriously increase domestic and industrial traffic too. There needs to be some joined up thinking about the holistic impact by the County Council in conjunction with the district council.

Kind regards
