Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	I strongly object to this development on the grounds of traffic problems it will cause and the loss of amenities. The application was disguised by saying it was Faygate when it's clearly right on the Horsham border and next to two immediate junctions and the Moorhead roundabout. The area is already over developed and lacking support infrastructure. It has been a very popular area for

local people for many years to enjoy walking the beautiful countryside and access to wildlife. We cannot afford to lose such a beautiful amenity.

Kind regards
