Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	This is an area I walk often with friends and family. My grounds for objection are: a) increasing impact of noise and pollution from cars will become more significant. b) Increasing the already overloaded doctor's surgeries and hospitals and emergency services will impact lives. c) Harming the High Weald AONB would be an incursion on the local countryside

Kind regards
