Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	Further to the comments I submitted in March 2026 concerning this Planning Application, I would like to add the following. The only access to this site is via Fryern Park Road a privately owned road with a public footpath running along its length. The road is narrow making the passage of commercial vehicles difficult especially if walkers or horse riders are present. The egress of the road on to Fryern Road has the problem that there is a blind bend

to the right and a hillock to the left. With an increase in traffic using this junction the likelihood of accidents is greatly increased. If the site is to be developed as the plan suggests, an independent access road should be built with egress on to Fryern Road to the north of the current exit, which would provide clear sight-lines for emerging traffic.

Kind regards
