Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	Every weekday morning there are queues, sometimes as far back at Roffey traffic lights with vehicles also queuing to get onto the Crawley Road from Shepherds Way, Church Road and Lambs Farm Road heading towards the roundabout to get onto the A264 bypass. Any additional houses will only make this situation worse as the only way the traffic can access the Crawley Road is via the Old Crawley Road. This situation has been getting worse over the

past 10 years and can only become even more of a bottleneck if these houses are allowed to be built.

Kind regards
