Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	Objection is raised on the grounds that the proposal represents inappropriate development in the countryside, with associated concerns about increased vehicle movements leading to additional traffic, noise, and air pollution on rural roads that are unsuitable for such intensification. The scheme would facilitate further off-site car parking linked to Gatwick. In addition, the potential for car alarms sounding at all hours poses a significant risk of disturbance to local residents.

Kind regards
