| Commenter Type:      | Neighbour                                                                                                                                                                                                                                                                                         |
| Stance:              | Customer made comments in support of the Planning Application                                                                                                                                                                                                                                     |
| Reasons for comment: |                                                                                                                                                                                                                                                                                                   |
| Comments:            | I support this application, this facility provides a space for people to meet, where there are no traffic issues,, where children can run and play safely, there are no problems with noise, we should be encouraging young people to develop business ideas, not doing all we can to prevent it. |

Kind regards
