Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Other
Comments:	We have a paddock to the rear of our property which is next to the paddock in which this building has been recently erected but have received no notice from the Council. Highlands House already has a significant number of stores and the size of the shed subject to this application is very large. It's our understanding that both paddocks are agricultural land.

Kind regards
