Comments:	. The fence obscures the line of sight for drivers turning into Penn Stone Way. . Even at normal speeds it's dangerous. . It also does the same for a neighbour leaving his drive and entering onto Penn Stone Way. . It has the same effect if you are are walking. . Is there a detailed access pedestrian and traffic report ? . It is not in line with the original landscape and outside space design. . Is there a wind report , it's much higher than the original fence ? . Its hideous !!!!!

Kind regards
