Application Number: DC/25/1963

TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr Derek McCulloch

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby **REFUSE** to permit the works specified hereunder, that is to say:

Demolition of existing outbuilding. Erection of 1no. detached two storey self-build/custom-build dwelling with associated works.

1 Hilltop Cottages The Mount Ifield West Sussex

as shown on Plan and Application Number DC/25/1963 submitted to the Council on 18/12/2025. The reasons for the Council's decision to refuse to permit the above works are specified hereunder.

- 1 The proposed development would be sited within an unsustainable location in the countryside, outside of a defined built-up area boundary, and on a site not allocated for housing development within the Horsham District Planning Framework, or a made Neighbourhood Plan. Furthermore, the proposed development is not essential to its countryside location, nor necessary for the function and needs of the business. Notwithstanding the absence of a five-year land housing supply, and the provisions of the National Planning Policy Framework (2024) at paragraph 11(d), it is not considered that there are any material considerations in this instance which would outweigh harm arising from conflict with Policies 1, 2, 3, 4, 20 and 26 of the Horsham District Planning Framework (2015).
- 2 It has not been demonstrated to the satisfaction of the Local Planning Authority that the occupiers of the proposed development would not be adversely affected by aircraft noise. Due to the siting of the proposed development there is therefore the potential to result in a poor quality living environment, contrary to Policies 32 and 33 of the Horsham District Planning Framework (2015).

ADDITIONAL INFORMATION

Right of Appeals

If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at <https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries>.
