Horsham District Council

DELEGATED APPLICATIONS - ASSESSMENT SHEET

OFFICER CHECKLIST	
WEEK ONE (Date Valid)	**2nd April 2025**
Check Neighbours	x
Check Consultations (including newts) / Press List	x
Check Description, Plans and Supporting Documents	x
Print and Display Site Notice (if required)	n/a
WEEK TWO (+7)	**9th April 2025**
Visit Site or request site visit photos (in accordance with Site Visit Guidance Note)	x
Draft HRA / AA if necessary. If the water statement is insufficient discuss with TL / PPO whether to discuss / accept amendments to the strategy.	n/a
Instruct Legal if s106 required (with prior TL / PPO agreement)	n/a
WEEK THREE (+14)	**16th April 2025**
If amendments are likely to be needed discuss with TL / PPO (N.B. Only minor amendments will be accepted in accordance with the Amendment Guidance). When requesting amendments give clear deadline (i.e. start of week 5).	x
WEEK FOUR (+21)	23rd April 2025
If no amendments required, contact agent / applicant with update on progress.	n/a
Confirm whether delegated or committee decision (re: parish and neighbour representations)	x
WEEK FIVE (+28)	30th April 2025
14-day re-consultation letters to be sent on any amended plans	x
Prepare draft report	x
WEEK SIX (+35)	7th May 2025
Check 35-day Cllr call-in for Committee	x
If decision based on original plans, report to be drafted and submitted for sign off	n/a
WEEK SEVEN (+42)	14th May 2025
If decision based on amended plans, report to be drafted and submitted for sign off	x
Reason for EOT	x

APPLICATION NO./ADDRESS:

DC/25/0555
113 Billingshurst Road, Broadbridge Heath, West Sussex, RH12 3LJ

DESCRIPTION:

Erection of a front porch and single storey side extension. Installation of roof dormers on the North West and South East elevation and 2 rooflights to the South West elevation.

RELEVANT PLANNING POLICIES

The National Planning Policy Framework (NPPF)

Horsham District Planning Framework (2015):
Policy 32 - Strategic Policy: The Quality of New Development
Policy 33 - Development Principles
Neighbourhood Plan:
Broadbridge Heath has not been designated as a Neighbourhood Plan area.

Horsham District Local Plan (2023-40) (Regulation 19):
Policy 19: Development Quality
Policy 20: Development Principles

REPRESENTATIONS AND CONSULTATIONS RESPONSES

Where consultation responses have been summarised, it should be noted that Officers have had consideration of the full comments received, which are available to view on the public file at www.horsham.gov.uk.

Consultations:

Natural England: Standing Advice:-

It cannot be concluded that existing abstraction within the Sussex North Water Supply Zone is not having an adverse effect on the integrity of the Arun Valley SAC/SPA/Ramsar sites. Developments within Sussex North must therefore must not add to this impact and one way of achieving this is to demonstrate water neutrality. The definition of water neutrality is the use of water in the supply area before the development is the same or lower after the development is in place.

To achieve this Natural England is working in partnership with all the relevant authorities to secure water neutrality collectively through a water neutrality strategy. Whilst the strategy is evolving, Natural England advises that decisions on planning applications should await its completion. However, if there are applications which a planning authority deems critical to proceed in the absence of the strategy, then Natural England advises that any application needs to demonstrate water neutrality.

Parish Comments:

No objection

Representations:

1 representation has been received, supporting the application.

1 representation has been received objecting to the application for the following reason:

- Loss of Privacy

HUMAN RIGHTS AND EQUALITY:

The application has been considered having regard to Article 1 of the First Protocol of the Human Rights Act 1998, which sets out a person's rights to the peaceful enjoyment of property and Article 8 of the same Act, which sets out their rights in respect to private and family life and for the home. Officers consider that the proposal would not be contrary to the provisions of the above Articles.

The application has also been considered in accordance with Horsham District Council's public sector equality duty, which seeks to prevent unlawful discrimination, to promote equality of opportunity and to foster good relations between people in a diverse community, in accordance with Section 149 of the Equality Act 2010. In this case, the proposal is not anticipated to have any potential impact from an equality perspective.

PLANNING ASSESSMENT:

The application has been assessed on the basis of the submitted details, together with the planning history of the site and adjoining properties, available images and photographs supplied by the agent. These details were considered sufficient to allow the application to be properly considered and determined.

Character and Appearance

Policies 32 and 33 of the HDPF seek to ensure that development promotes a high standard and quality of design in order to enhance and protect locally distinctive characters. The policies also seek to ensure that the scale, massing and appearance of development relates sympathetically with the built surroundings, landscape, open spaces and routes within and adjoining the site, including any impact on the skyline and important views.

The application seeks planning permission for the erection of a front porch and single storey side extension. Installation of roof dormers on the North West and South East elevation and 2 rooflights to the South West elevation.

The proposed front porch would be of a modest scale and is considered to be of a design, form and siting which would appear as a subservient and sympathetic addition to the front of the property. The porch would not stand out as intrusive on unduly dominant in views along Billingshurst Road and there would be no wider visual impacts.

The proposed side extension would sit below the main ridgeline of the dwelling, and would follow a roof form that would be in keeping with the overall character and appearance of the host dwelling. The proposed dormers would sit comfortably within the context of the enlarged dwelling, and would reflect a design and appearance that would be proportionate to the overall form of the dwelling. The proposed roof dormers are therefore considered modest additions which would be well contained within the roofslope and which would not appear intrusive in views from surrounding properties and land.

The proposals in their entirety would be clearly subservient additions and are considered to be of a design, form and scale which is appropriate to the character and appearance of the existing dwelling, and which would not harm the character or appearance of the wider area. It is therefore considered that the visual impact of the proposal is acceptable and would accord with the above policies.

Impact on Neighbouring Amenity

Policy 33 of the HDPF states that permission will be granted for development that does not cause unacceptable harm to the amenity of the occupiers/users of nearby properties and land.

The original submission included a window at first floor level to the south east elevation. Following a review of the application and in response to officer concerns regarding the potential impact of this element on the amenity of neighbouring properties, the agent has submitted revised plans. The first floor side window has since been removed from the proposal to address these concerns.

Consequently, it is now considered that the siting and layout of the proposed extensions and the resulting relationship with adjoining properties would be sufficient to prevent any unacceptable harm to neighbouring amenity.

Water Neutrality

There is no clear or compelling evidence to suggest the nature and scale of the proposed development would result in a more intensive occupation of the dwelling necessitating an increased consumption of water that would result in a significant impact on the Arun Valley SAC, SPA and Ramsar sites, either alone or in combination with other plans and projects. The grant of planning permission would not therefore adversely affect the integrity of these sites or otherwise conflict with policy 31 of the HDPF, NPPF paragraph 180 and the Council's obligations under the Conservation of Habitats and Species Regulations 2017.

Biodiversity Net Gain

In accordance with the Biodiversity Gain Requirements (Exemptions) Regulations 2024, all householder applications are current exempt from the statutory requirement to demonstrate a 10% net gain in biodiversity.

Conclusion

The proposal is considered to comply with relevant local and national planning policies and is therefore recommended for approval.

Recommendation: Application Permitted

Conditions:

2 **Standard Time Condition**: The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

3 **Pre-Commencement (Slab Level) Condition:** No development above ground floor slab level of any part of the development hereby permitted shall take place until a schedule of materials and finishes and colours to be used for external walls, windows and roofs of the approved building(s) has been submitted to and approved by the Local Planning Authority in writing and all materials used in the construction of the development hereby permitted shall conform to those approved.

Reason: As this matter is fundamental to enable the Local Planning Authority to control the development in detail in the interests of amenity by endeavouring to achieve a building of visual quality in accordance with Policy 33 of the Horsham District Planning Framework (2015).

POSITIVE AND PROACTIVE STATEMENT

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.
