Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	This is not within the neighbourhood plan, we are already over populated for our roads and general amenities. We have already lost so much green space to development and it's turning what was a small quiet village in to a busy town with roads that are becoming increasingly more dangerous.

Kind regards
