Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	As a Horsham resident for 46years, and as a regular user of the prescribed footpath at the the end of Arun Way which accesses Chesworth Farm, I believe this development goes against the councils promise of keeping green spaces for public use and will not enhance the locality. Access to this development willl also have a detrimental affect on the residential area that access to this site would cause.

Kind regards
