Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Other - Overdevelopment - Trees and Landscaping
Comments:	Totally unnecessary development of yet another green field space! If this goes ahead, I feel it will open the flood gates for further land grab and building on the precious fields and nature adjacent to Kerves Lane, and the Chesworth farm areas, or other similar areas in the Horsham area. Little by little our green spaces and natural/nature/fields/trees and other small pockets of wonder

are being destroyed!
England, particularly the south east is being, and has been,
overdeveloped... very sad ?

Kind regards
