DC/26/0828 - 80 Woodlands Way Southwater West Sussex RH13 9JA
Conversion of garage to additional accommodation with alterations to front, extension to rear and raised roof.

SPC Comment: **No objection** - the property is a semi detached house, with a linked garage wall to the other side property. Proposal is to convert existing garage space to a ground floor extension, to provide living space, WC and utility room. The existing garage has a flat roof and whilst SNP states a preference against, the replacement is in keeping with existing dwellings. The proposal does not increase number of bedrooms and with the tracked parking on the front garden, the parking capacity remains unaltered.

Regards

Julie
