Dear Sir/Madam,

**Proposal:** Application for Approval of Details Reserved by Conditions 4 (Construction Environmental Management Plan) , 9 (foul water disposal), 10 (detailed surface water)  
**Site address:** Old Clayton Boarding Kennels Storrington Road Washington West Sussex

Southern Water are happy to discharge condition 9 and 10, as the proposed plans for foul disposal and surface water management have been shown in the new documents.

Southern Water has no objection to the other conditions.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site. If this happens, please call our Customer Service Desk on 0330 303 0119.
