Reasons for comment:	
Comments:	I have no idea why we are wasting our time on this when the demands that the council and the village have not been met - if this gets through and building starts then it's a clear sign of Bellway Homes and Horsham District Council not putting the general public's concerns first. It's so sad in this day and age that money is more important than our children's safety and the green belt I for one have no idea why it's even been passed or considered when so many parts of the agreement have not been met and why would you put it so close to the school. Accidents are happening now without the large lorries here. HDC are fools and something dodgy is going on if it goes ahead

Disappointed

Kind regards
