Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	Church Lane will not be able to cope with the amount of traffic with only one access in and out and the Roman remains need to be explored far deeply . The infrastructure of the village will not cope with additional houses The parking that is proposed around the sports pavilion is far from adequate resulting in cars being parked in side roads

Kind regards
