Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Other - Overdevelopment - Trees and Landscaping
Comments:	We don't have any more space for more cars, people, children in our village we have a small school a small shop, minimal public transport, we will lose part of the charm of the village the access will be next to our beautiful church. We don't need more sports pitches etc we already have some.

Kind regards
