Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Living on a main access route would mean as someone partially sighted, navigating traffic would become increasingly more dangerous & difficult. There is very little consideration of the existing highway arrangement and put simply too many houses with not enough amenities. Overdeveloped and ugly, not in keeping with surrounding areas and no one wants it in the chosen sight.

Kind regards
