Comments:	I am writing on behalf of the Horsham Society.

We accept the immediate need for this accommodation but it will join an expanding shanty town of prefabricated buildings and this situation cannot be allowed to prevail for too much longer.

We are aware that the College has plans for further permanent buildings and we support the Conservation Officer's observations about the need to establish a firm timeline for a permanent resolution. Meanwhile a strict time limit should be applied to this application.

Secretary, Planning Sub Committee
