Address: Nuthurst Parish Council PO BOX 1098 Horsham

Comments Details

Commenter Type: Parish Council

Stance: Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment:

Comments: Resolved that the Parish Council raise no objection to the works as described but make the following observation: prolific stem growth from the lower trunk may indicate poor tree health, potentially linked to previous overpruning. The trees appear to be mature oaks which may survive for many years despite signs of decline.

Kind regards
