Planning Condition 8: Refuse / Recycling
No building hereby permitted shall be first occupied unless and until provision for the storage of refuse/recycling has been made for that building (or use) in accordance with details (including elevations, materials and internal configuration) that have been submitted to and approved in writing by the Local Planning Authority. These facilities shall thereafter be retained for use at all times.

Reason: To ensure the adequate provision of recycling facilities in accordance with Policy 33 of the Horsham District Planning Framework (2015).

Potential location for operational refuse/recycling waste storage

Potential location for compactor/baler

The development is of a speculative nature and the future occupiers are not known.

The site plan shows indicative locations for dedicated spaces within each unit to cater for segregation and storage of refuse and recycling waste generated by the occupier.

Final location, size and equipment for refuse and recycling storage and facilities to be determined by the occupier of each unit as part of their fit-out.
