Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I would like to object to the proposed planning, mainly due to highway access and the increase in traffic and noise. Crawley Road is already busy, with speeding cars, one fatality and a number of household pets also killed outside our property. At rush

hour the traffic builds up all the way to the Roffey Church and more cars will add to that. The suggested position of the entrance to the site will just add to this, it would be better suited on the Forest Road.

The noise will increase around our house and we do not have the infrastructure in place to support additional houses and vehicles along with the lack of doctors surgeries. Horsham is over populated already and we do not need any further houses adding to that.

We will lose the view of open space from our property which is one of the oldest in Horsham and we will be losing yet another open space.

Kind regards
