Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	The local roads are already very busy during rush hours. I can't get an appointment at the doctor's. It will ruin the character of this end of the town. We have so many new homes around the town this can't possibly be needed by local people. It's time to build houses somewhere else instead of attracting more and more people here. Enough is enough

Kind regards
