Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	I would like to formally object to this development due to the negative impact on the surrounding area. The green spaces are forever decreasing in Horsham. The extra traffic will lead to more people using St Leonards road as a cut through. The impact to nearby residents will be extra noise, light pollution and traffic. The impact to nature that can be regularly seen in the fields and surrounding brooks will also be high.

Kind regards
