Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	There is no acceptance of existing significant infra structure problems within the village/ local area. Roads (traffic, parking, speeding, potholes, safety), flooding, public transport, medical facilities, schools, jobs.

Village has had massive expansion over last 25 years.
Scandalous short response by HDC in approving this application,
ignoring these other issues.....central political pressure, not
representing local population!

Kind regards
