Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	We have lived here to about 21 years and we have seen many changes. I do not think that having a driveway with gates will make any difference to the area. It would however, make easier for the owner to secure the property, give them a better view of oncoming traffic and make it safer for them to turn into the property when they arrive. We have seen new drives and gates go in around the area such as Stallhouse Lane and Adverse Lane. We have no objection to this going ahead and fully support them.

Kind regards
