Comments:	I have concerns about the area around Church Lane becoming more hazardous than it already is. Access is already tricky with two way traffic and parked cars. I'm worried about the risk this poses to children on the school run, particularly in light of narrow pavements in the area. I am concerned about the impact on Ashington CofE school, especially the Forrest School which will be unusable due to public access under proposed plans. There is poor existing sewage and waste water infrastructure in Ashington, additional houses will exacerbate existing issues. Not planning for flood mitigation in Mill Lane, as agreed on neighbourhood plan.

Kind regards
